

TRAINEE DATA CAPTURER PROGRAMME

PATHCARE ACADEMY, GOODWOOD, CAPE TOWN

PathCare's core purpose is to optimise patient care through excellence in Pathology Services. If you are passionate about patient care, we are seeking individuals who understand and support our core purpose to join the PathCare family.

The PathCare Academy in Goodwood seeks applicants for our Trainee Data Capturer Programme

The PathCare Academy invites responsible and respectful individuals who possess a well-developed work ethic and who are responsive to customer needs to apply for the Academy training programme commencing in July 2018:

Minimum Requirements:

- Grade 12 pass (science subjects advantageous).
- A minimum typing speed of 35 words per minute with exceptional accuracy.
- Willingness to work shifts, weekends and public holidays **with own transport**).

Desired Competencies and Abilities:

- Speak English fluently and understand basic Afrikaans.
- Work effectively as part of a team and independently.
- Concentrate effectively under pressure with good attention to detail.
- Possess a well-developed work ethic.

The competitive selection process will include:

- Screening of applications.
- Selected candidates will be shortlisted and invited to undergo typing and written proficiency tests.
- Highest scoring candidates on the above will be invited to attend panel interviews.

It is specifically brought to the attention of interested persons that only those candidates who fully comply with the application instructions, score the highest in the competitive testing and interview processes, and who are deemed most suitable will be selected.

Theoretical and practical training will take place at PathCare, N1 City, Goodwood

Individuals who meet the criteria and are interested in applying for a place on this programme should print and complete the application form. Completed application forms along with all supporting documents may be hand delivered to the PathCare Academy, 1 Birmingham Street, N1 City, Goodwood.

Closing date: Friday, 29th June 2018 at 17h00
